

<Call to Alumni members to join the Second Trilateral Symposium on SDGs online >

All Kagawa University Alumni members are invited to join online, the Second Trilateral Symposium on SDGs (which is hosted by Kagawa University in conjunction with our partners Chiang Mai University and National Chiayi University.)

See link for symposium details: <https://www.kagawa-u.ac.jp/kuio/circ/event/trilateral-symposium-sdgs1/>

We highly recommend all alumni members to join us as this is the very first attempt to link up alumni members via cyberspace. In addition, this undertaking presents an excellent opportunity to meet up with former supervisors and professors, old classmates and friends, as well as to establish networking with new researchers.

Date: 29th to 31st August 2023 *No registration fee required*

Application deadline: 19th May 2023 (may be extended if deemed necessary)

Zoom URL shall be sent to all alumni members who registered.

For alumni members planning to present papers

Alumni members make their presentations in a special online session slated on either 29th afternoon or 30th morning. Each presentation is expected to be between 15 to 20 minutes, although this may change depending on the situation. After all presentations are done, Q&A follows. Topics may be on any research area linked to any aspect of SDGs. Please submit the following details: Name, affiliation, email address, title of presentation, abstract (maximum 200 words)

For alumni members planning to join without presenting a paper

Alumni members may join the online session without presenting a paper. To register, please submit the following details: Name, affiliation, email address.

Submit to: Kagawa University International Student Center, Director, Prof. Lrong Lim Email: lrong.lim@kagawa-u.ac.jp
