

Tentative Schedule  
Second Online Joint Environmental Cleanup Event  
Chiang Mai University-National Chiayi University-Kagawa University

Purpose: Through environmental garbage collection and survey based on ICC\* procedures we aim to ① deepen our awareness of the impact of inland, marine, and river plastic garbage on the environment ② foster international relations and understanding of lifestyles and culture between Thailand, Taiwan, and Japan ③ cultivate relationship and cooperation among the three universities, students, and members of the local community at the event locations.

When: 27 November 2022 (Sunday). Thailand time 8:00~11:00, Taiwan & Brunei time 9:00~12:00, Japan time 10:00~13:00

Where: Chiang Mai: CMU Campus; Chiayi: Aogu Wetlands; Kagawa: Takamatsu City Fishing Port; Brunei: UBD Campus

Connection method: via Zoom

Participants: Students and non-student volunteers of Chiang Mai University, National Chiayi University, Universiti Brunei Darussalam and Kagawa University

Weather conditions etc.: The partner universities shall consult and decide together on evening of 26 November. A decision shall be made based on weather and/or Covid-19 situation on whether to proceed with event wholly or partially.
